SHAMIL SHIRAZ

DUBAI, UAE | shamilshiraz0@gmail.com | +971 508096760 | linkedin | Portfolio

I'm a frontend developer with a strong focus on React and JavaScript, passionate about creating engaging visuals and interactive experiences. I love bringing designs to life and making them feel right. While frontend is my main expertise, I also have full-stack experience, allowing me to build well-rounded and functional applications.

EXPERIENCE

FRONT END DEVELOPER   AUG 2024–FEB 2025
VECTORCROP | HYBRID

- Developed responsive, visually appealing web interfaces that aligned with client branding and business goals.
- Collaborated closely with clients to translate ideas into functional designs, enhancing user experience and engagement.
- Optimized website performance and implemented SEO strategies, contributing to up to 200% business growth.
- Managed and executed Meta and Google Ads campaigns, leading to a 300% increase in client inquiries.
- Maintained clear, consistent communication with clients and stakeholders, ensuring alignment with project objectives.

FULL STACK INTERN   NOV 2023–JUL2024
LUMINAR TECHNOLAB | COCHIN,IN

- Engineered and refined robust full-stack web applications utilizing the MERN stack.
- Collaborated with cross-functional teams to define, design, and implement new features, ensuring clean, efficient code practices to enhance application performance.
- Expert in error handling, successfully resolving up to 80% of technical issues independently.
- Contributed to over 10 projects, enhancing teamwork, communication, and problem-solving skills in a collaborative environment.
- Proficient in utilizing 15+ technology tools and frameworks, continuously expanding technical expertise.

WEB AND GRAPHIC DESIGNER   JAN 2024–AUG 2024
DUVEA TRAVEL CO | REMOTE

- Designed posters, logos, and itineraries, keeping branding consistent and engaging.
- Built a responsive website that improved performance and increased sales.
- Managed 10+ client projects, handling pitches, creative direction, and communication.
- Delivered all projects on time, balancing deadlines, revisions, and production.
